

**Airmid Validates the
HygieneShield™ Range by Beko
for Eliminating 99.9% of
Bacteria and Viruses**

Independent testing by Airmid Healthgroup has validated the effectiveness of Beko's HygieneShield™ range in eliminating 99.9% of bacteria and viruses. The testing confirmed the performance of the range's innovative features, including UV light technology in the tumble dryer and fridge freezer for safe cleaning of everyday items, and high-temperature hot air systems in washing machines and washer dryers for hygienic clothing refreshment.
